This data was obtained under Freedom of Information from Dental Health Services Victoria in October 2018 by the Australian Dental Association Victorian Branch Inc.

www.adavb.net @adavb

General dental care: routine care, including examination, cleaning, fillings, extractions, root canal treatment.

Denture care: routine provision of dentures.

Emergency care: patients are triaged and offered care within an appropriate timeframe.

Dianella Health operates dental clinics in several locations across multiple electorates. The performance data is combined and reported for the entire agency, not for the individual clinic location.
