Crown lengthening is a commonly required surgical procedure to improve access to restoration margins, lengthen the clinical crown or to improve aesthetics. This one-day course is aimed at general practitioners wishing to improve their clinical and surgical skills and increase confidence in undertaking this procedure on their own patients. The emphasis of this course is on improving the restoration of teeth by surgical removal or repositioning of the gingivae and supporting bone.

The course consists of lectures followed by a laboratory component where participants will undertake surgical procedures on animal heads. Anatomy, theory, indications and techniques will be covered in the lectures, while the practical part will cover flap design and elevation plus bone removal.

MAJOR TOPICS

- Anatomy of the periodontium and biologic width
- Indications and the periodontal/restorative interface
- Techniques for surgical crown lengthening
- Hands-on sessions raising flaps and removing bone

LEARNING OUTCOMES

At the conclusion of this course, participants should be familiar with:

- treatment planning
- implications for and basic techniques in surgical crown lengthening

VENUE AND LOCATION OF 2008 COURSES

All courses will be held in the School of Dental Science, University of Melbourne, 720 Swanston Street, Carlton. Participants will be notified of room allocations well in advance of the course date.

PAYMENT OF COURSE FEES

Applications for registration must be accompanied by payment and can be made by fax or mail with credit card details (name, expiration date, amount of payment & card holder's signature) or by cheque which should be made payable to 'The University of Melbourne'. Please note that the University does not accept American Express or Diners Club cards.

- A minimum deposit of half the full course fee must be paid to secure your position. However, we prefer full payment of the course fee upon application.
- Confirmation of your registration will be sent to you with a receipt for your payment. Two weeks prior to the course date, you will receive a written reminder of your enrolment, the course location and other details. Any outstanding fee **must** be paid at this time.
- The course fee provides for your registration, use of dental equipment as specified, incidental materials and all meals and refreshments during the day.
- Please note the 'Registration Limit' for each course. As our practice is to run small groups that allow greater interaction with presenters and colleagues, we strongly recommend that you submit an application for your preferred course(s) as early as possible.
- All courses will have a waiting list to which we are happy to add your name. No payment is required for this service and should a place become available, you will be contacted and offered a place. Full payment is required upon acceptance of the place. Please note that waiting lists are not carried over from year to year.

We recommend that participants contact the CPD Unit if confirmation of your enrolment is not received within 14 working days after your application.

CANCELLATIONS

If you cancel your registration, you must inform the Continuing Professional Development Unit as soon as possible so that your place can be offered to another applicant. If you are able to nominate a colleague to take your place, we would be very happy for this to happen.

Refunds following cancellation are as follows:

- cancellation more than 6 weeks prior to the course: **75% refund**
- cancellation less than 6 weeks prior to the course: **50% refund**
- cancellation 1 week prior to the course or failure to attend: **no refund**

GST

All course fees include 10% GST in the total cost. For your tax purposes, upon payment, your receipt will show the GST amount. All receipts list the University ABN 84 002 705 224

CERTIFICATE OF ATTENDANCE

The School of Dental Science is an approved Educational Activity Provider (EAP) under the Dental Practice Board of Victoria's Code of Practice on CPD. All our CPD programs offer scientific/clinical credits based on their duration in hours and minutes. A Certificate of Attendance will be presented to each participant at the end of the course.

PLEASE NOTE THE CPD UNIT DOES NOT SUBMIT ATTENDANCE SHEETS TO THE DENTAL PRACTICE BOARD.

The mandatory CPD scheme, as implemented by the Board, is self-regulatory. It is the responsibility of each participant to track the hours accrued by attending University courses on their log sheet for the current cycle.

REGISTRATIONS & PAYMENTS WILL NOT BE ACCEPTED OVER THE PHONE.
