

# ADAVB Seminar Recordings

The Branch's seminar recordings offer members a convenient way to achieve and maintain their CPD.

CPD is awarded according to the length of the seminar, with additional hours of CPD awarded for correctly completing an accompanying questionnaire. **All CPD credits require correct completion of the questionnaires.**

Participants who attend the seminar(s) are only eligible to claim limited CPD hours for successfully completing a questionnaire.

Seminar recordings are priced in accordance with the registration fees for the seminars. Regional ADAVB members can purchase the recordings at a 25% discount.

Please note seminar recording answer sheets must be submitted within 12 months from date of purchase.

To order seminar recordings, please complete the order form on the following page.

## THE SAC CLASIFICATION SYSTEM FOR YOUR DENTISTRY – June 2009

The Straightforward Advanced Complex (SAC) classification system was first used by the International Team of Implantology (ITI) in case selection and execution of implant dentistry. The concept is based on the need to provide clinicians with the tool for readily assessing the degree of complexity, and hence the clinical experience and expertise required to undertake the treatment. At this seminar, the SAC concept is applied to all branches of dentistry. Whether you are a general practitioner or a specialist, this concept helps you identify the degree of difficulty of a case, the degree of difficulty of treatment options, risk of complications and indicate the skill level required to treat your patient. Ultimately, the SAC concept helps you facilitate a predictable outcome of treatment with the least risk to your patient. Featured speakers include Dr Stephen Chen, Dr David Figdor, Mr Tom Sunderland, Dr Phillip Tan, Dr Simon Wylie, Dr Anthony Dickinson and Dr Adam Rosenberg.

Cost: Members \$375  
Regional Members \$282  
Non-Members \$625

CPD: 8 hours Scientific CPD  
(Event attendees: 2 hours only)

Format: CD ROM

## DENTISTRY 2010 – July 2010 (Available February 2011)

This program has a strong clinical element, covering a range of issues encountered in dental care including trauma management, aesthetics, dental implants, management of the carious primary dentition, endodontics versus implants, fixed prosthodontics and much more. International and local speakers featured include:

DISC 1	DISC 2
Dr Denise Bailey	Dr Samar Amari
Dr John Boucher	Dr Stephen Cottrell
Dr Helen Cornwell	Dr Robert De Poi
Dr Andrew Dillion	Dr David Figdor
Dr Mark Foster	Dr Ian Hewson
Professor Charles Goodacre (USA)	Associate Professor Michael McCullough
Dr Roy Judge	Associate Professor Peter Parashos
Dr Karen Kan	Professor John Spencer
Dr Jeff Lipshatz	Dr Andrew Tucker

Ms Joanna Shinewell	

The discs in this seminar recording can be purchased individually. Successful completion of the questionnaires associated with both discs will earn 19 hours of CPD.

Cost:	2 DISCS	1 DISC
	Members \$1500	Members \$800
	Regional Members \$1125	Regional Members \$600
	Non-Members \$2000	Non Members \$1300
CPD:	19 hours Scientific CPD (Event attendees: 4 hours only)	9.5 hours Scientific CPD (Event attendees: 2 hours only)
Format:	CD ROM	

## MIND YOUR OWN PRACTICE – August 2010 (Available February 2011)

This program provides useful and necessary information on the legal requirements of running a dental practice, especially relevant in light of the new National Registration and Accreditation Scheme. Experienced and successful practitioners will provide their personal insights into some important aspects of practice management. Dentists considering practice ownership or new dentists just starting out will benefit greatly from this program, but even experienced practitioners wanting to find out how some of the most successful dentists practice will find this seminar recording stimulating. Featured speakers include Dr Brad Wright, Mr Garry Pearson, Dr John Boucher, Dr Frank Davis, Dr Jeremy Sternson and Dr Praveen Nathaniel.

Cost: Members \$375  
Regional Members \$297  
Non-Members \$700

CPD: 7 hours Non Scientific CPD  
(Event attendees: 2 hours only)

Format: CD ROM

## INFECTION CONTROL UPDATE 2010 – October 2010 (Available February 2011)

This half day event aims to provide important new information from the ADA Infection Control Guidelines as well as emerging issues in this area. It is an informative seminar that you and your team should not miss. Topics covered include Infection Control: Challenges of the New Millennium, Infection Control and the Dental Laboratory, Infection Control Away from Traditional Settings: It's Not Rocket Science and Tactics and Technologies in Infection Control: Getting the Little Things Right. Featured speakers include Professor Laurie Walsh, Dr Vin Amerena and Dr Warren Shnider.

Cost: Members \$195  
Regional Members \$147  
Non-Members \$340

CPD: 4 hours Scientific CPD  
(Event attendees: 1 hour only)

Format: CD ROM
